# Keeping Up With Data-Tech

## Giving Back to Our Community

Data-Tech is constantly looking for ways to give back. We recently celebrated National Give Something Away Day and asked each employee to donate at least one item. All donated items were brought to our local Metropolitan Ministries! It was an awesome way to bring employees together and help our community.

## Networking

Our Business Development Rep, Amy Gaston, is out and about continuously meeting and connecting with other Business Professionals! If you see her around, make sure to say hi! If you're interested in networking, attend our Networking Happy Hour on Thursday, August 25th. Drinks on us 5-9pm!
