Keeping Up With Data-Tech

Rays Game with Acronis

Data-Tech was invited by prominent partner, Acronis, to attend an exciting Tampa Bay Rays game right here at the Tropicana Field. Some of our staff were able to attend and mingle with other likeminded professionals. Thank you Acronis! #RaysUp

National IT Professionals Day

On September 20th, Data-Tech celebrated National IT Professionals Day! It was a great time honoring our intelligent staff and enjoying some delicious pizza together. Data-Tech truly values our employees and all they do for the organization. Way to go team!
